

Dear [Festival Organizer's Name],

I hope this message finds you well. I am writing to express my confusion regarding the schedule for the upcoming [Music Festival Name] scheduled on [Date].

It seems that there are discrepancies in the schedule indicated on the official website and the one provided in the event brochure. Specifically, I have noted that:

- [Details of the confusion, e.g., "The performance by [Artist Name] is listed at 3 PM on the website, but at 5 PM in the brochure."]
- [Any additional discrepancies if applicable]

I would greatly appreciate any clarification regarding these schedule changes.

Thank you for your time and assistance. I am looking forward to enjoying the festival!

Sincerely,

[Your Name]
