

Letter of Complaint Regarding Site Cleanliness

Date: [Insert Date]

To Whom It May Concern,

I am writing to express my disappointment regarding the cleanliness of the site during the recent [Festival Name] held on [Date]. As an attendee, I had expected a well-maintained environment, but unfortunately, that was not the case.

Throughout the festival, I witnessed an excessive amount of litter, including plastic bottles, food wrappers, and other waste scattered across the grounds. The inadequate waste management and lack of proper facilities detracted from the overall experience and raised concerns about the health and safety of attendees.

It is critical for future events to prioritize cleanliness to ensure a positive atmosphere for everyone involved. I strongly urge you to address these issues and implement better waste management strategies for upcoming festivals.

Thank you for your attention to this matter. I hope to see improvements in the future.

Sincerely,

[Your Name]
