

Subject: Dissatisfaction with Recent Tutoring Session

Dear [Tutor's Name],

I hope this message finds you well. I am writing to express my dissatisfaction with our recent tutoring session held on [date]. Unfortunately, I feel that the session did not meet my expectations for several reasons.

Firstly, I found that the materials we covered were not aligned with my current learning goals. I had specifically requested assistance with [specific topic], but we spent significant time on [different topic]. This left me feeling frustrated and unsupported in my learning journey.

Additionally, I felt that the pace of the session was either too fast or too slow, which made it difficult for me to grasp the concepts being discussed. It would be beneficial if we could agree on a suitable pace that matches my learning style.

I value your expertise and would appreciate the opportunity to discuss this matter further. I believe that with better alignment, our sessions can be more productive and beneficial for my academic progress.

Thank you for your attention to this matter. I look forward to your response.

Sincerely,
[Your Name]
