Subject: Critique of Instructional Methods Used in [Specify Course/Program]

Dear [Recipient's Name],

I hope this message finds you well. I am writing to express my thoughts on the instructional methods currently being employed in the [insert course/program name]. After reflecting on the effectiveness of these techniques, I believe there are several areas that warrant discussion.

## Strengths

- [Highlight a strength of the current methods]
- [Mention another positive aspect]

## Areas for Improvement

- [Identify a specific instructional method that could be improved]
- [Suggest an alternative approach]

In conclusion, while there are several strengths to the current instructional methods, I believe implementing some of these suggested changes could enhance the overall learning experience for students. I look forward to discussing this further.

Thank you for your attention.

Sincerely,
