Subject: Investment Credit Risk Review

Dear [Recipient Name],

I am writing to formally present the findings of the recent investment credit risk review conducted on [Company/Investment Name]. This assessment aimed to identify potential credit risks associated with our investment portfolio and to ensure compliance with our internal risk management policies.

Executive Summary

The review indicated that [briefly summarise the findings, e.g., the credit quality of the portfolio is satisfactory, there are specific areas of concern, etc.].

Key Findings

- [Finding 1]
- [Finding 2]
- [Finding 3]

Recommendations

Based on the review, we recommend the following actions:

- [Recommendation 1]
- [Recommendation 2]
- [Recommendation 3]

We believe that implementing these recommendations will significantly enhance our risk management framework and mitigate potential credit risks associated with our investments.

Please feel free to reach out if you have any questions or need further clarifications regarding this review.

Thank you for your attention.

Sincerely,

[Your Name]

[Your Position]

[Your Company]
