Dear [Recipient Name],

I hope this message finds you well. I am writing to express my interest in exploring sustainable investment options that align with my values and financial goals.

As a committed advocate for environmental sustainability, I would like to request information on any sustainable investment products or portfolios that your firm offers. Specifically, I am interested in options that focus on renewable energy, social responsibility, and ethical governance.

Could you please provide me with a list of available investment options along with details regarding their performance, risks, and any associated fees?

I look forward to your prompt response, as I am eager to make informed investment decisions that contribute positively to our planet.

Thank you for your attention to this matter.

Sincerely,
