

Dear [Grandparent's Name],

I hope this letter finds you in great spirits. We are writing to share an exciting opportunity to invest in [Child's Name]'s future.

As you know, education is a vital part of [Child's Name]'s growth, and we are considering establishing an Educational Investment Savings Plan. This plan allows us to save effectively for [his/her] education while also enjoying tax benefits.

The plan would enable us to set aside funds for [Child's Name]'s college or further education expenses, ensuring that [he/she] has the resources needed to pursue [his/her] academic goals. We believe this investment not only benefits [Child's Name] but also strengthens our family's legacy.

We would love your support in this initiative, whether through a one-time contribution or setting up a monthly contribution. Every little bit helps!

Thank you for considering this wonderful opportunity to make a meaningful difference in [Child's Name]'s life. We look forward to hearing your thoughts.

Warm regards,

[Your Name]
