Dear [Client's Name],

I hope this message finds you well. As your trusted investment advisor, I want to discuss the importance of strategic succession management in our partnership. It is crucial to ensure the continuity of your financial goals and estate planning, even as circumstances change.

The key components of our succession management plan include:

- Identifying suitable successors for your investment portfolio management.
- Developing a clear communication strategy with your chosen successors.
- Regularly reviewing and updating the succession plan to accommodate changes in your financial situation or market conditions.

To facilitate this process, I would like to schedule a meeting to discuss your thoughts and any preferences regarding your investment strategy and potential successors. Please let me know a convenient time for you.

Thank you for your continued trust in my services. I look forward to your response.

Sincerely,
