Subject: Chargeback Reversal Request for Fraud Alert - [Transaction ID]

Dear [Merchant's Name],

I hope this message finds you well. I am writing to formally request a reversal of the chargeback initiated on [Date of Chargeback] for the transaction ID [Transaction ID] associated with my account.

Upon reviewing the details, it has come to my attention that the chargeback was triggered due to a fraud alert that was resolved subsequently. I have taken steps to secure my account and would like to resolve this matter amicably.

I am requesting that you reconsider the chargeback as valid and reverse it to reflect the legitimate transaction that took place on [Transaction Date].

Thank you for your attention to this matter. I am looking forward to your prompt response.

Sincerely,

[Your Name]
