

Dear [Partner's Name],

I hope this letter finds you well as we embark on this beautiful journey together. As we prepare for our upcoming marriage, I believe it's important to discuss certain aspects of our future that can strengthen our relationship.

One topic I would like us to consider is a prenuptial agreement. While it may not be the most romantic of discussions, I want us to ensure that we are both protected and that our individual interests are respected. A prenup can help us clarify our financial responsibilities and expectations, providing a solid foundation for our marriage.

Let's schedule a time to sit down together, talk openly about our finances, and discuss the idea of a prenuptial agreement. I am confident that with communication and understanding, we can approach this subject with love and respect for one another.

Thank you for taking the time to consider this important conversation. I am looking forward to hearing your thoughts.

With all my love,

[Your Name]
