

# Letter Template for Prenuptial Agreement Essentials

Dear [Partner's Name],

As we prepare for our upcoming marriage, I believe it is important for us to discuss and outline the essentials of a prenuptial agreement. This document will serve to protect our individual interests and clarify our expectations for our financial future together.

## 1. Disclosure of Assets

Both parties agree to fully disclose their respective assets, liabilities, and income prior to the marriage.

## 2. Separate Property

We will define what constitutes separate property that will remain with each partner in the event of a divorce.

## 3. Marital Property

We will establish guidelines for how any marital property will be managed and divided should our marriage end.

## 4. Spousal Support

We will discuss any potential spousal support obligations and how they may be addressed in our agreement.

## 5. Debt Responsibility

We will clarify how we will handle debt incurred before and during the marriage.

I believe that open, honest conversations about these topics will strengthen our relationship. I look forward to discussing this further.

Sincerely,  
[Your Name]
