Dear Judge [Last Name],

I am writing to inquire about representation for my case currently being processed in Juvenile Court. I wish to ensure that the rights of my juvenile are fully protected throughout this legal process.

Specifically, I would like to know the procedure for obtaining legal representation and any recommendations you may have for qualified attorneys experienced in juvenile matters. My child's case is scheduled for [insert date of the next court appearance], and I want to ensure we have proper counsel by that time.

Thank you for your attention to this matter. I look forward to your guidance and assistance.

Sincerely,
