Dear [Judge's Name],

I am writing to formally request representation for my case ([Case Number]) scheduled for hearing on [Date of Hearing]. As a juvenile, I am aware of the importance of having legal representation to ensure my rights are protected throughout the process.

I believe that having an attorney will greatly assist in navigating the complexities of the juvenile court system and advocate on my behalf. I kindly request that the court appoint a public defender or suggest suitable legal aid resources that can represent me.

Thank you for considering my request. I hope for your understanding and support in this matter.

Sincerely,

[Your Name]
