Dear Customer Service Team,

I hope this message finds you well. I am writing to formally request an upgrade to my current internet service plan. My account number is [Your Account Number].

Currently, I am subscribed to the [Current Plan Name] which provides me with [Current Data Limit] data limit. However, due to a significant increase in my internet usage, I find myself needing a higher data limit to accommodate my needs for both personal and professional purposes.

I would like to request an upgrade to the [Desired Plan Name] with [Desired Data Limit] data limit. Please let me know the process to initiate this change and any additional costs that may be associated with the upgrade.

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,
