

Letter of Suggestion for Network Coverage Improvement

Date: [Insert Date]

To: [Recipient's Name]

[Recipient's Title]

[Company/Organization Name]

[Address]

[City, State, Zip Code]

Dear [Recipient's Name],

I hope this message finds you well. I am writing to propose enhancements to our current network infrastructure to improve coverage and connectivity in our area.

In recent months, we have experienced intermittent connectivity issues that disrupt both our daily operations and customer satisfaction. After conducting a detailed analysis of our current network performance and customer feedback, I believe that upgrades to our infrastructure, including additional access points and signal boosters, will significantly enhance our service quality.

I would appreciate the opportunity to discuss this matter further and explore possible solutions that can be implemented to achieve better network coverage. Improving our infrastructure not only benefits our organization but also enhances user experience and satisfaction.

Thank you for considering this suggestion. I look forward to your positive response.

Sincerely,

[Your Name]
