Subject: Resolution Regarding Data Plan Oversubscription

Dear [Recipient Name],

We would like to address the issue of oversubscription related to our current data plan, which has impacted our service delivery and operational efficiency.

Whereas

- The current data plan has reached its capacity, leading to slower connectivity and service disruptions.
- Users have reported dissatisfaction due to inadequate data speeds.
- Enhanced data needs have arisen due to increased usage among employees.

Resolved

1. To increase the data plan capacity by [Specify Amount] to accommodate growth in data usage.
2. To monitor data usage patterns and adjust the plan as needed on a quarterly basis.
3. To communicate with all stakeholders regarding the changes in the data plan and expected improvements.

Thank you for your attention to this matter. We believe that these resolutions will significantly enhance our operational capabilities.

Sincerely,

[Your Name]
