Subject: Request for Internet Connection in Remote Area

Dear Sir/Madam,

I hope this letter finds you well. I am writing to formally request the installation of an internet connection at my residence located in [Your Address, Remote Area]. Unfortunately, due to the remote nature of my location, I have been unable to access reliable internet services.

Having internet access is essential for my [work/studies/personal use], and I believe that your services could greatly benefit my situation. I kindly ask you to send a representative to assess the feasibility of providing internet service to my area.

Thank you for considering my request. I look forward to your prompt response.

Sincerely,
