Dear [Client's Name],

We hope this message finds you well. We are writing to discuss the current trial period of our services that you have been experiencing since [Start Date of Trial].

Based on your feedback and usage, we would like to propose extending your trial period by an additional [number of days/weeks] to give you the opportunity to explore our offerings more comprehensively. We believe that this extended period will help you better assess the value our services can bring to your organization.

If you agree to this extension, the new trial end date will be [New End Date]. During this time, we will continue to provide full support to ensure you maximize your experience.

We are excited about the possibility of continuing to work with you and look forward to your response. Please feel free to reach out if you have any questions or require further information.
