Dear [Service Provider],

I am writing to formally apply for a mobile hotspot service plan. As [briefly state purpose, e.g., "a remote worker who requires reliable internet access for my job," or "a student who frequently travels and needs internet access for online classes"], I believe that this service will greatly benefit my needs.

In order to facilitate my application, I have included the necessary details below:

- **Full Name:** [Your Name]
- **Preferred Plan:** [Specify plan or features desired]
- **Usage Requirements:** [Estimate data usage]

Please let me know if there are any additional requirements or information needed to process my application. I look forward to your prompt response and hope to establish a mobile hotspot service with your company soon.

Thank you for considering my application.

Sincerely,

[Your Name]
