

Subject: Concerns Regarding Upcoming Academic Advising Session

Dear [Advisor's Name],

I hope this message finds you well. I am writing to express some concerns I have regarding our upcoming academic advising session scheduled for [Date and Time]. I appreciate the guidance you provide, but I have a few points I would like to discuss further.

- My current academic progress and any potential roadblocks I may encounter.
- Course selection for the upcoming semester and how they align with my career goals.
- Opportunities for academic support and resources available to enhance my learning experience.
- Any recommendations for extracurricular activities that could benefit my academic journey.

Please let me know if we can address these concerns during our session or if it would be better to set up another time to discuss them in detail.

Thank you for your understanding and support.

Sincerely,
