Subject: Feedback on My Advising Experience

Dear [Advisor's Name],

I hope this message finds you well. I wanted to take a moment to provide feedback regarding my recent dual enrollment advising experience.

First and foremost, I would like to express my appreciation for your support and guidance throughout the advising process. Your knowledge of the dual enrollment program was evident, and I felt confident in the information you provided.

One aspect that stood out to me was your ability to make the process clear and manageable. The resources and advice you shared helped me understand the requirements and expectations, which greatly alleviated any concerns I had.

However, I would like to suggest that future sessions could benefit from additional follow-up communication, particularly after the initial advising meeting. This could help ensure that students feel supported as they transition into their courses.

Overall, I truly value the assistance I received during my advising experience. Thank you once again for your dedication and support.

Sincerely,

[Your Name]
