Subject: Feedback on Summer Session Advising

Dear [Advisor's Name],

I hope this message finds you well. I wanted to take a moment to provide some feedback on my recent advising session regarding the summer session.

Firstly, I would like to express my appreciation for your guidance on course selection. Your insights on [specific courses or topics discussed] were incredibly helpful and have given me a clearer direction.

Additionally, I found your advice on [any other topics, e.g., internship opportunities, academic resources] particularly valuable. It has encouraged me to explore options that I hadn't considered before.

In terms of improvements, I think it would be beneficial to allocate a bit more time for discussion on [specific areas you would like to cover more]. This would help in addressing any lingering questions and allow for a more thorough understanding.

Thank you once again for your support and encouragement. I look forward to our next meeting and to making the most of the upcoming summer session.

Best regards,
