

# Group Advising Resource Review

Dear Students,

As we prepare for our upcoming group advising session, I would like to share some essential resources that you should review beforehand. This will help us make the most of our time together.

## Resources to Review:

- [Advising Guide](#) - A comprehensive overview of academic policies and procedures.
- [Curriculum Map](#) - Outline of required courses for your program.
- [Degree Planner](#) - Tool to help you plan your course schedule.
- [Student Resources](#) - Information on tutoring, counseling, and other support services.
- [Frequently Asked Questions](#) - Answers to common queries about your degree program.

Please take some time to review these materials before our meeting. If you have any questions or additional topics you would like to discuss, feel free to reach out.

Looking forward to seeing you all soon!
