Dear [Advisor's Name],

I hope this message finds you well. I am writing to provide feedback on my experience with dual degree advising.

Firstly, I would like to express my gratitude for your support and guidance throughout the process. Your expertise in navigating the complexities of a dual degree program has been invaluable.

In particular, I appreciated [specific feedback, e.g., "your detailed explanations of the course requirements and scheduling options"]. This clarity has greatly helped in my planning.

Additionally, I found the resources you provided, such as [mention specific resources, e.g., "the advising handbook and academic planner"], to be extremely helpful in understanding my degree paths.

However, I believe there are areas for improvement. For instance, [specific areas for improvement, e.g., "more regular check-ins could enhance the advising experience"].

Overall, I am thankful for your assistance in this journey and look forward to continuing to work together as I progress in my dual degree.

Thank you once again for your support.
