

Career Exploration Advising

Date: [Insert Date]

Dear [Student's Name],

I hope this letter finds you well. As part of your career exploration journey, I would like to encourage you to take the time to consider your interests, strengths, and potential career paths.

During our upcoming advising session, we will discuss various careers that align with your passions and academic strengths. I recommend that you come prepared with a list of your favorite subjects, hobbies, and any ideas you might have about your future career.

Additionally, we will explore resources such as internships, job shadowing opportunities, and career assessments that can help you gain more insight into different fields.

Remember, it's never too early to start thinking about your future. I look forward to our meeting and assisting you on this exciting journey!

Best Regards,
