Important Steps for Your Academic Transition:

1. **Review Your Transfer Credits:** Please make sure to check how your previous courses have transferred to your new program. You can find this information on your student portal or by contacting the registrar's office.
2. **Meet with an Academic Advisor:** Schedule an appointment with an academic advisor to discuss your academic goals and ensure that you are on the right path to fulfilling your degree requirements.
3. **Familiarize Yourself with Course Offerings:** Explore the course catalog to identify classes that interest you and fit your new academic plan.
4. **Engage with Campus Resources:** Take advantage of resources such as tutoring centers, writing labs, and libraries that are available to help you succeed.
5. **Join Student Organizations:** Getting involved in campus life not only enhances your experience but also helps you to meet new peers and integrate into the community.
