

Dear International Student,

Welcome to [University Name]! As you embark on your academic journey here, we understand that transitioning to a new educational system and culture can be challenging. To support you in this process, we have compiled a list of valuable resources and services designed specifically for international students.

Academic Support Services

- **Tutoring Center:** Offers one-on-one and group tutoring in various subjects.
- **Writing Center:** Provides assistance with writing assignments, including guidance on academic writing styles.
- **Library Resources:** Access to research materials and workshops on how to use library databases effectively.

Cultural Adjustment Resources

- **International Student Office:** Provides support and guidance for visa issues and cultural adjustment.
- **Student Clubs:** Join clubs focused on culture and international student interactions.
- **Workshops:** Attend workshops on study skills, time management, and cross-cultural communication.

Networking Opportunities

- **Peer Mentorship Program:** Connects new students with experienced international students.
- **Career Services:** Offers resume writing and interview preparation tailored for international students.

We encourage you to take advantage of these resources to help facilitate your academic success and adjustment to life at [University Name]. If you have any questions or need further assistance, do not hesitate to reach out to us at [Contact Information].

Best wishes for a successful academic year!

Sincerely,
[Your Name]
