Dear [Recipient Name],

I am writing to formally request an increase in our reseller credit limit with [Company Name]. Our ongoing partnership has proven beneficial, and we are experiencing growth in sales that necessitates a higher credit limit to support our inventory needs.

Over the past [duration], our business has consistently expanded, and we have increased our orders significantly. In light of this growth, we believe that an increase in our credit limit would facilitate continued success and strengthen our relationship.

We are currently looking to expand our product offering and increase our order volume, which would ultimately benefit both our companies. We would greatly appreciate your consideration of our request for a credit limit increase to [desired credit limit].

Thank you for considering our application. We are looking forward to your prompt response.

Sincerely,

[Your Name]
