Dear [Recipient Name],

I hope this message finds you well. I am writing to formally request an extension of our reseller credit limit. As our business continues to grow, we have seen a significant increase in demand for our products, and thus, an increased need for stock inventory.

Currently, our existing credit limit has become a constraint on our ability to fulfill customer orders efficiently and capitalize on market opportunities. Given our sales performance and timely payments in the past, I believe that an increased credit limit would enable us to better serve our customers and enhance our partnership.

I kindly request a review of our current credit limit with the aim to extend it to [insert proposed new limit]. I am confident that this adjustment will facilitate our continued growth and strengthen our business relationship.

Thank you for considering our request. I look forward to your positive response.

Sincerely,
