Subject: Portfolio Review Suggestion

Dear [Recipient's Name],

I hope this message finds you well. As part of our ongoing efforts to optimize our reseller business portfolio, I would like to suggest a comprehensive review of our current offerings.

After analyzing recent sales data and market trends, I believe we can enhance our competitive edge by focusing on the following areas:

- Identifying top-performing products and categories
- Assessing underperforming items and considering their discontinuation
- Exploring new product lines that align with market demands
- Enhancing promotional strategies for key products

It would be beneficial to arrange a meeting to discuss this in more detail. I am confident that a well-structured review can lead to significant improvements in our business performance.

Thank you for considering this suggestion. I look forward to your feedback.

Best regards,
