Dear [Lender's Name],

I hope this message finds you well. I am writing to request a reference letter from you regarding my business as a reseller. I am currently in the process of applying for a loan to expand my operations and your endorsement would greatly strengthen my application.

As you know, I have been working as a reseller for [number of years] years and have consistently demonstrated my commitment to excellence and customer satisfaction. I believe that your insight into my business practices and character would provide valuable reassurance to potential lenders.

If you are willing to provide this reference, I would be happy to discuss any details or information you may need about the loan application process. Thank you for considering my request. I appreciate your support.

Best regards,
