Dear [Recipient's Name],

I hope this message finds you well. I am writing to formally request the expansion of our reseller network as part of our ongoing initiative to enhance our market reach and improve service delivery to our customers.

Over the past year, we have seen significant growth in demand for our products, and expanding our reseller network will enable us to meet this demand more effectively. We believe that bringing more partners on board will not only benefit our sales volume but also enhance our brand visibility in new regions.

We propose the following steps for the expansion initiative:

- Identify potential resellers in targeted regions.
- Develop training programs to equip them with product knowledge.
- Implement a marketing strategy to support their efforts.

We would appreciate your feedback on this initiative and any suggestions you may have on how we can proceed effectively. Our aim is to foster a collaborative relationship that benefits all parties involved.

Thank you for considering this proposal. I look forward to your positive response.

Sincerely,
