Dear [Recipient's Name],

I hope this message finds you well. I am writing to inquire about the current metrics and criteria used for evaluating reseller credit. Understanding these metrics is essential for us to assess our potential partnership and ensure that we are aligned with your expectations.

Specifically, we would appreciate any insights you could provide regarding:

- The key performance indicators (KPIs) utilized in the evaluation process.
- The process and timeline for reseller credit evaluations.
- Any supporting documentation or requirements needed from our side.

We value the opportunity to collaborate and would be grateful for your guidance on these metrics. Please let me know a suitable time for us to discuss this further or if you could provide any documentation that outlines the evaluation process.

Thank you for your attention to this matter. I look forward to your prompt response.

Best regards,
