Dear [Reseller's Name],

We are excited to share our proposed engagement enhancement plans aimed at strengthening our partnership and driving mutual growth. Below are the key initiatives we plan to implement:

1. Training and Development

We will provide quarterly training webinars to enhance product knowledge and sales techniques.

2. Marketing Support

Access to co-branded marketing materials and campaign support to help promote our products more effectively.

3. Performance Incentives

Implementation of a rewards program for top-performing resellers to recognize and incentivize their efforts.

4. Regular Feedback Sessions

Scheduled check-ins to gather your feedback and insights, ensuring our strategies align with your needs.

We believe these enhancements will not only benefit our relationship but also drive increased sales and customer satisfaction. We look forward to hearing your thoughts and suggestions.

Best regards,
