

Dear Valued Team Members,

As part of our ongoing commitment to providing a safe and clean shopping environment, we are implementing updated cleanliness procedures effective immediately.

New Cleanliness Procedures:

- Increased frequency of cleaning high-touch areas, including carts, checkout counters, and door handles.
- Hand sanitizing stations will be placed at all entrances and throughout the store.
- All team members are required to wear masks during their shifts.
- Daily health screenings for all staff before the start of their shifts.
- Regular training sessions on hygiene best practices for all employees.

We appreciate your cooperation in adhering to these new procedures. Together, we can ensure a safe shopping experience for our customers and a healthy work environment for everyone.

Thank you for your continued dedication.

Sincerely,

Management Team
