

Dear Team,

We are pleased to announce the latest updates to our retail surveillance system aimed at enhancing security and monitoring efficiency.

Update Highlights:

- **Improved Camera Resolution:** All cameras have been upgraded to provide 4K resolution for clearer image capture.
- **Enhanced Motion Detection:** Our system now features advanced algorithms for better detection and reduced false alarms.
- **Live Streaming Capabilities:** Users can now access live feeds from their devices, enhancing remote monitoring capabilities.
- **Integration with POS Systems:** Efficient tracking of transactions and potential theft incidents.

Please ensure to familiarize yourself with the new features and capabilities of the updated surveillance system. Training sessions will be scheduled in the coming weeks.

Thank you for your continued cooperation.

Best regards,
