To Whom It May Concern,

I am writing to formally apply for the retail veteran discount on behalf of all store associates. As dedicated members of the retail team, we believe it is important to honor and support our veterans by extending this discount to those who have served our country.

Our team members are not only committed to providing excellent customer service but also represent an integral part of our community. By implementing this program, we can show our gratitude to those who have sacrificed for our nation.

Thank you for considering our application. We appreciate your support in recognizing the contributions of our veterans.

Sincerely,
