Subject: Proposal for Research Collaboration on Innovation Development

Dear [Recipient Name],

I hope this message finds you well. I am writing to propose a research collaboration between [Your Institution] and [Recipient Institution] focused on innovation development in [Specify Field/Area].

Given our mutual interests and expertise, I believe that by combining our resources and knowledge, we can significantly advance our understanding of [Specify Topic] and develop innovative solutions that benefit both our institutions and society.

We aim to explore opportunities in the following areas:

- [Area 1]
- [Area 2]
- [Area 3]

I would appreciate the opportunity to discuss this proposal in more detail and explore how we can work together effectively. Please let me know your available times for a meeting, either virtually or in person.

Thank you for considering this collaboration. I look forward to your positive response.

Best regards,
