

Eco-Conscious Shopper Points Redemption Guide

Dear Valued Shopper,

Thank you for being a part of our eco-friendly community! Your dedication to sustainability is appreciated. Here's how you can redeem your eco-points:

Step 1: Check Your Balance

Log into your account to view your current eco-points balance. Each point represents your contribution to environmental sustainability.

Step 2: Explore Redemption Options

- Eco-Friendly Products: Redeem points for our selection of sustainable items.
- Donation to Environmental Causes: Support tree planting initiatives with your points.
- Exclusive Discounts: Use points for discounts on your next purchase.

Step 3: Redeem Your Points

To redeem, simply select your desired option during checkout and apply your points accordingly.

Need Help?

If you have any questions, please contact our customer service at support@ecoshopper.com or call us at (123) 456-7890.

Thank you for shopping sustainably!

Best Regards,
Your Eco-Conscious Shopper Team
