

# Introducing Our Eco-Friendly Gift Wrapping Service!

Dear Valued Customers,

We are excited to unveil our new Eco-Friendly Gift Wrapping Service designed to add a special touch to your gifts while caring for our planet.

Our wrapping materials are sourced sustainably and are fully biodegradable, ensuring that your gift makes a positive impact.

- **Recycled Paper:** Beautifully designed, recyclable paper for a stylish wrap.
- **Natural Twine:** Elegant twine made from jute for that rustic touch.
- **Plantable Tags:** Eco-friendly tags that can be planted after use.

Join us in celebrating the art of gifting while minimizing our carbon footprint! Our service is available starting **November 1, 2023**.

Thank you for supporting sustainable choices.

Sincerely,  
Your Eco-Friendly Team
