Dear [City Official's Name],

I am writing to formally lodge a noise complaint concerning the ongoing construction at [Construction Site Address]. The excessive noise levels from this construction have become a significant disturbance.

Since the construction began on [Start Date], the noise has been disruptive to both my daily life and that of my neighbors. The construction work frequently begins before [Start Time] and continues until [End Time], exceeding acceptable noise levels. This not only impedes our ability to relax in our homes but also affects our work and personal responsibilities.

I kindly request that the city take appropriate action to address this issue, whether through regulations on construction hours or noise level limits. It is essential for the city to ensure that residents can enjoy their homes without undue disturbance.

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,
