Dear [Recipient's Name],

I am writing to formally request an enhancement to the sanitation services provided in our community. As a resident of [Your Community/Neighborhood Name], I have observed several areas where improvements can significantly benefit the overall cleanliness and health of our environment.

Specifically, I would like to address the following issues:

- Increased frequency of garbage collection
- More public waste bins in high pedestrian areas
- Regular maintenance of existing sanitation facilities
- Public awareness programs about waste disposal

These enhancements could greatly improve our community's sanitation standards and enhance the quality of life for all residents. I appreciate your attention to this matter and hope to see prompt action taken.

Thank you for considering this request. I look forward to your response.

Sincerely,

[Your Name]
