Subject: Inquiry Regarding Sanitation Service Reliability Improvement

Dear [Recipient's Name],

I hope this letter finds you well. I am writing to express my concerns regarding the current sanitation services in our area and to inquire about the measures being taken to improve their reliability.

Over the past few months, we have experienced several issues, including inconsistent waste collection schedules, delayed responses to service requests, and insufficient sanitation maintenance. These problems not only affect the cleanliness of our neighborhood but also pose health risks to the community.

Therefore, I would appreciate it if you could provide information on:

- The current plan for addressing these reliability issues.
- Any scheduled improvements or upgrades to the sanitation services.
- How community feedback is being integrated into service enhancements.

Thank you for your attention to this matter. I look forward to your prompt response and hope to see improvements soon.

Sincerely,
