

Water Quality Complaint

Date: [Insert Date]

To Whom It May Concern,

I am writing to formally complain about the water quality in my area, specifically at [Insert Address or Location]. Recently, I have noticed several issues that are concerning for both health and safety.

My observations include:

- Unusual color or odor in the water
- Presence of sediment or particles
- Unexplained changes in taste

These issues have raised significant concerns regarding the safety of our drinking water. I urge your department to investigate this matter promptly.

Thank you for your attention to this urgent matter. I look forward to your swift response.

Sincerely,

[Your Name]
