To Whom It May Concern,

I am writing to request the installation of street lighting on [specific rural road name] in [location]. The current lack of adequate lighting on this road poses a significant safety risk to both pedestrians and drivers, especially during the night.

The visibility issues have contributed to several near-misses and have made it difficult for residents to navigate the road safely after dark. Given the importance of ensuring a safe environment for our community, I believe that the installation of street lights will greatly enhance visibility and deter potential accidents.

I kindly ask for your consideration of this request. Thank you for your attention to this matter, and I look forward to your positive response.

Sincerely,

[Your Name]
