To Whom It May Concern,

I am writing to request the installation of street lights along [specific section of the main road] for the purpose of enhancing pedestrian safety. The increased foot traffic in this area, combined with poor lighting conditions at night, poses significant risks for pedestrians, particularly students and elderly residents.

The absence of adequate lighting makes it difficult for drivers to see pedestrians and vice versa. This situation raises the likelihood of accidents occurring during the evening hours. By installing street lights, we can greatly improve visibility and ensure the safety of all road users.

I urge the relevant authorities to consider this request seriously and take the necessary steps to address this pressing concern. Thank you for your attention to this matter.

Sincerely,
