To Whom It May Concern,

I am writing to formally request the installation of street lights in our neighborhood, specifically in the area of [specific location or intersection]. As a concerned resident, I have observed that the current lighting conditions are inadequate and have contributed to a rise in crime rates, particularly during nighttime hours.

The lack of sufficient lighting has made our streets unsafe for pedestrians and has created an environment that is conducive to criminal activities. By installing additional street lights, we can significantly improve safety and security in the area, encouraging community members to feel safer while walking or traveling at night.

I urge the relevant authorities to consider this request seriously for the benefit of all residents and visitors in our community. Thank you for your attention to this matter.

Sincerely,
