Dear [Insert Name or "Sir/Madam"],

I am writing to request the installation of street lights in our residential neighborhood located at [Insert Neighborhood Name or Specific Location]. We have been facing issues related to inadequate lighting in the area, leading to safety concerns for residents, especially during the night.

Numerous families, including children and elderly residents, frequent the streets, and the lack of proper illumination has made it challenging for them to navigate safely. We believe that the installation of street lights will greatly enhance the safety and security of our community.

We kindly request you to consider our plea and schedule an assessment of our area for potential street light installation. We are confident that this improvement will benefit all residents and contribute positively to our neighborhood.

Thank you for your attention to this matter. We look forward to your prompt response.

Sincerely,
