Dear [School District Board/Committee Name],

I am writing to provide my feedback regarding the proposed changes to the school district boundaries as presented in the recent community meeting. I appreciate the efforts taken to address our district's needs and the challenges related to school capacity and resource allocation.

Firstly, I support the proposal to shift the boundary of [specific neighborhood/area] as it aims to better balance the student populations across our schools. However, I have concerns about the potential impact this change may have on the continuity of education for students currently enrolled in [specific school name].

Additionally, I urge the board to consider providing additional resources and support during this transition period to mitigate any disruptions for affected families. Clear communication and guidance would be essential in ensuring a smooth adjustment.

Thank you for considering my feedback. I look forward to hearing about the board's decisions and further actions regarding this matter.

Sincerely,

[Your Name]
