Dear [Recipient's Name],

I hope this message finds you well. I am writing to inquire about the recent changes to the school district boundaries and their potential impact on our community. As a concerned parent/resident of [Your Community/Neighborhood], I believe it is important to understand how these changes may affect students, schools, and resources available in our area.

Specifically, I would like to know:

- What criteria were used to determine the new boundaries?
- How will these changes affect enrollment numbers at local schools?
- Are there any plans in place to address potential overcrowding or resource shortages?
- How can community members voice their feedback or concerns regarding these changes?

Thank you for your attention to this matter. I appreciate your commitment to our schools and the well-being of our students. I look forward to your prompt response.

Sincerely,

[Your Name]
